

## Note From the Director

Hello From The Secondary Principal's Desk,

“May madness” has descended upon us as we get ready for the end of the year! There are many fun and exciting events as the year draws to a close. First I want to say a HUGE thank you to the cast and crew of Pygmalion that was put on this past weekend! What a great joy to watch the fruit of many hours of labor by all involved. Also a special thank you to Annie Chun and Laura Berggren who took the challenge of teaching Drama this year, it was stretching for each of them and they did a great job, I continue to be amazed at the talents of our fantastic and dedicated team of teachers!

The play was only the beginning, and we have much more coming before the end of the year. Next up is the Talent Show (tonight!) and the 8<sup>th</sup> grade banquet Friday the 14<sup>th</sup> followed by their trip to Ocean Queen, they are looking forward to it! We also had the music recital Tuesday to showcase more of our music program and it was fantastic! The Sports Banquet is coming up on the 20<sup>th</sup> and the Senior Banquet “Purple Like Jazz” is following hot on its heels Saturday the 22<sup>nd</sup>. As I said above, the next event is our BAIS Talent Show on tonight from 6-9pm, this is a fund raising event for air conditioning in the multi purpose room. We continue to inch toward the goal of getting the MPR fitted with AC. Come one and all to enjoy this unique showcase of BAIS talent. There are also events to look forward to in June, so keep a look out for more information!

In other news, our students just took their AP exams and they will find out in July if they passed and get college credit. This is an excellent opportunity for our students to challenge themselves with a higher caliber of classes, and potentially get a jump start on their college career. We are proud to be able to offer this opportunity and look to continue to expand this program!

In the Middle School program, we will be having a Middle School Orientation on May 27<sup>th</sup> from 3:15-4pm for all in coming 6<sup>th</sup> graders (those currently in 5<sup>th</sup> grade). This promises to be an informative event as parents get ready for their children to transition out of Elementary school. Our middle school students will also have multiple opportunities to make the world their classroom as they head to Ocean Queen, go camping, learn how to make paper and head to Jakarta for fun in the water. It is a great time to be in middle school!

I want to thank parents again for their continued support, as I approach the end of my first year at BAIS, I am blessed to be a part of a great and dynamic school program that puts academic excellence first and concentrates on educating the whole child,

Sincerely,  
Daniel Cooley,  
Secondary School Principal

## AP Test update

AP Tests are in the mail as of today. We gave 28 tests and wish all of our students well as they await the grading. We are glad to sponsor AP (Advanced Placement) here at BAIS and hope that these college level classes that students take while in high school will pay off well for them. They certainly have all been challenged with college material and the fruit of the test may include college credit for when they enter university. Nice job teachers and students!

## Staffing update (2 new faces and an update)

We have a new accountant who will be starting on Monday, May 17, 2010. His name is Diyan Yap and he is a graduate of Maranatha University and from Bandung. Please feel free to stop in and say hi to him.

We have a “new” old staff member. Our PE Assistant Bonny left at the end of April and we were able to get Mario back. Students and staff are glad to see Mario back at BAIS for the next month. When you see Mario that is indeed him and we wish him and Bonny well.

Ibu Onih will be retiring from BAIS and we are in the process of interviewing 7 candidates for her position in the Cafeteria. We also bless her and wish her well, thanking her for all of her years of service at BAIS on our janitorial and kitchen staff.
