

Note from the Director

Dear students, families and staff,

SPIRITUAL EMPHASIS WEEK! I am so glad to be part of a school where we help students achieve their full “academic, physical, social and spiritual potential, with a commitment to excellence”. Next week will be a real focus on the spiritual side of our purpose. Our guest speaker, Ms. Libby Stephens, LOVES students and has worked extensively with those who are “TCK’s – third culture kids”. She will be speaking to all of us next week and we are excited to hear her stories and apply truth to all of our lives (adult, teen and child). Parents are invited to attend the sessions and join with us. As we all look to achieve our spiritual potential, please pray and encourage all of us!

We had a great DAC this week. I continue to be blessed with such a strong advisory council and want to publicly thank Young Koo Hwang, Monica Friesen, Selly Setiawan, Eric Christensen, David Park, and Gail McKinley for their dedication, wisdom and time in helping make BAIS an academically strong school, true to its purpose. We continue on track for our loan repayment and are beginning to dream big for the future of the school.

Thank you to the parents who came to our PSAT talk on Monday. Our students are continuing to score higher than the national averages on all of our test scores. Next school year we will be adding in the high school honors track for English and an additional AP English class for 11th graders and hope to see test scores rise even more! The ACT test can now be taken at BIS, which is the Bandung test center for SAT and ACT. The link for juniors and seniors to use for registering for the ACT is www.actstudent.org. The main differences between the SAT and ACT is that the ACT has a Science component and not all schools take the ACT (you must research to make sure they will take it).

It was great seeing some of the basketball games this week. I’d encourage families and staff to attend the January 29th games as multiple teams will be playing.

Have a great weekend! It is good starting second semester with all of you. I’ll be in America for recruiting and some professional development with NICS from February 2nd to February 20th. If you have any specific questions please see me before the 2nd or talk to Daniel Cooley, our Secondary Principal, while I’m away.

Blessings,
Pete Simano, Director

BAIS is excited about **Spiritual Emphasis Week** next week! -- **25-29 January**. We are blessed this year to have a dynamic speaker who has worked with students at international schools for many years. Libby Stephens is the Director of TCK Services at Interaction International (www.interactionintl.org) and speaks to students at schools all over the world. She will be speaking to both our elementary and secondary students. Please be in prayer for SEW: Pray for our students that God will prepare their hearts for hearing His message through Libby, and pray for Libby as she travels before she arrives here.

SOFEFO

will have its next event on Friday, 29 January. This will be a combined event for both Middle School and High School. Libby Stephens, our SEW speaker will give the talk for this SOFEFO; in addition, there will be games, snacks, and music! This SOFEFO event is for all students in grades 6 through 12. SOFEFO is not just for BAIS students, so invite your friends to come as well! We're looking forward to seeing you, so come enjoy the fun. We hope to see you there!

An LEP Parent Orientation will be held on Friday, January 29th, beginning at 11:30. This will be a meeting to inform parents with students in the BAIS LEP classes about the program and its placement process. We will have a Korean translator available for those parents who may want it. More information will be communicated soon. You can look for it in the BAIS buzz next week.

If you can not attend, please feel free to schedule a conference with Mr. Lamb or Mr. Neveux (A translator may be provided). You can schedule a meeting either in the front office or directly with the teacher. Reminder: there will be additional time to discuss if needed during the Spring Parent/Teacher conferences on March 4th and 5th.

Thank you for your attention to this message. We hope you can attend.

Mr. Lamb
LEP Teacher

Seniors and parents of seniors –

Mr. Simano is heading to America on February 1st, and is willing to send any college applications that are due in February or March with him, along with the signature form for the FAFSA for American families (save the international FedEx bill). The electronic copies of the mid year reports (transcripts) have already been updated on the Common Applications but he asks seniors to give Ibu Leony the addresses of the universities that need hard copy forms of the mid year transcripts. Seniors (and parents) please make sure Ibu Leony has the addresses for these forms, and he will mail them in the States. Thank you!
