

## Note From the Director

Dear students, parents and staff,

It's my turn to write a note for the BAIS Buzz, and it feels like it has been awhile. I hope that you are all doing well and getting ready for a very busy May and June. End of the year banquets, activities and field day are being planned and the seniors are feeling the push of finals, their senior trip and graduation.

I haven't written since the Fine Arts Festival and really want to thank everyone who came to the Gallery Night and all those who participated and celebrated the arts with us on April 16<sup>th</sup>. I am so thankful that God brought us the arts through creation and has given so many people beautiful talents to share. I was blessed. I also know that our swimmers represented God, and BAIS, well during the IISSAC swim meet and we are proud of their accomplishments and their witness! I heard about the great following BAIS had from our student, teacher, and parent community and I know the swimmers appreciated your support!

On the parent front, I'd like to remind parents to send us their teacher evaluations by Friday, April 30<sup>th</sup>. We'll include an e-mail copy again this week and please print off as many as you would like and return to us. Students have also been given evaluations and time to complete them in class this week. We are piloting a new evaluation system this year and these parent/student evaluations are part of that process. Also, Ibu Lily and I are scheduling our May *Dialogues with the Director* and will get you those dates by next week.

AP tests are upon us and I'll post in another part of the BAIS Buzz those dates and times. Students, please get a good 8 hours of sleep and eat a good breakfast, then come to my office on the day of each test. My office will transform itself into a testing room.

The "buzz" around the school is focusing on the drama that will take place next week (May 7 & 8). Please plan on coming next Friday or Saturday night to enjoy a good performance. We always love seeing the MPR become a set, and our students become their characters!

Have a great weekend and we trust that all is going well.  
Respectfully,  
Pete Simano  
Director

### **Parent volunteers sought for a "before school study hall"**

At our March *Dialogue with the Director*, a parent asked me to post in the BAIS Buzz a request to get 2 parent volunteers for each morning (Mon – Fri) to open a before school study hall in the MPR for students who wanted to study or who didn't want to wait outdoors until the 7:35 am bell.

In a previous BAIS Buzz, I explained that we can't run this as the staff have activities going on during this time and I asked if there were parents who would volunteer for this activity from 7:15 until 7:35 am. We don't have enough parent volunteers to do this yet. *If you are interested, please let Ibu Srie know and she'll put your name down on the list and also record how many days you could be committed to covering* (could be one day, or up to all five days each week). If the interest is there we will do it as soon as we have the coverage.

Please let us know.

Thanks

Pete Simano
