

## Note from the Director

Dear Students, Staff and Parents,

Selamat siang! The "buzz" around school this week is definitely the IISSAC tournament last weekend in Surabaya. BAIS was well-represented in the competitions and we are pleased to report that the BATTLE OF THE BOOKS took 1<sup>st</sup> place at the competition. They were a young team of middle and high school students and competed against a total high school team. Congratulations for your (their) win! It is wonderful to see this academic achievement mixed in with the athletic competitions and to see all the preparation pay off! The girls and boys soccer teams played great games that were very competitive and fun to watch! We are very proud of our student-athletes and how they represent God and BAIS! BAIS didn't clinch the IISSAC banner this time around but from reports in Surabaya they played magnificently! On to the next round – basketball! THANK YOU COACHES for all your hard work during this season, we appreciate your investment into the lives of these students!

Storybook Day is this Friday! It is always a fun celebration. Please join us for the assembly if you are able!

Remember that we are trying something new for **Parent-Teacher Conferences** on Nov. 5<sup>th</sup> and 6<sup>th</sup>. We will stay late at BAIS on Thursday night, Nov. 5<sup>th</sup> so that our business parents may come in from 4:30 – 7:30 pm to visit the teachers and get an update on student progress. Parents must sign up for an appointment for elementary; for secondary it is a drop-in format. Friday, Nov. 6<sup>th</sup> will be a day off for students and parents may come in from 7:45 – 11:15 am for conferences. We hope this new format works well and we get to meet the parents that are usually working. Please join us at BAIS.

You will begin hearing more and more about WEEK WITHOUT WALLS. It will take place Nov. 23 – 25<sup>th</sup>, 2009, the focus will be on building relationships and serving here in the Padalarang area. Stay tuned ...

Lastly, our quarterly DIALOGUE WITH THE DIRECTOR will be next week, November 3-5 from 8:00 – 9:30 am at Bale Pare. Mr. Cooley from secondary will attend so we will have more of a secondary focus (but can hear elementary requests). I will briefly talk on post-secondary planning (giving a handout and brief review) and talk on graduation requirements. We will open it up to questions afterwards. Please join us if you are able. Schedule is:

- Tues. Nov. 3<sup>rd</sup>: Western parents – Dialogue in English**
- Wed. Nov 4<sup>th</sup>: Korean parents – Dialogue translated into Korean**
- Thurs. Nov. 5<sup>th</sup>: Indonesian parents – Dialogue translated into Indonesian**

Respectfully,  
Pete Simano, Director

### Health News

Dear Parents,  
 Each year BAIS performs health screening for students. Next week on Wednesday, vision screening will be happening for your elementary age student. Please help your child remember their glasses or corrective lenses if they already have a pair. This is a screen and not a full eye exam. If there seems to be some deficiency in this initial screening, you will be informed in writing that a full eye exam is recommended. If you have any questions, please contact **Devlyn Neveux** in the clinic.

### STUDENT COUNCIL TREE PLANTING

When: THIS Sunday, November 1<sup>st</sup>  
 Time: 1 pm  
 Where: BAIS Campus  
 Who: Anyone willing to come and help (students, teachers, and parents)

## Basketball Update

If you plan to play basketball on the boys' or girls' Varsity or Junior Varsity teams, you need to get a sports physical done and turned in to Mr. Phillips before you will be allowed to practice. The first day is scheduled for Monday November 9<sup>th</sup>. If you had a physical after June 15<sup>th</sup> 2009 and it is turned in to Mr. Phillips, then you are good for this whole school year. Thanks and looking forward to great basketball season.

## ISSAC Report:

It was great weekend and the girls' and boys' team both played extremely well. The positions they placed in the tournament does not accurately reflect how well they played. The girls' final placement was sixth but they only lost to the second place team 1-0 in the pool stage. The boys finished in 3<sup>rd</sup> place, but the top three teams were very evenly matched and the littlest event made the difference. Well done all!

## The last games of the season are this weekend

The girls play Friday night at 5 p.m. and the boys play Saturday morning at 9 a.m.

Dear parents,

We are needing names and numbers of good construction contractors that we can trust. Can you help us?

Please refer to us contractors in the Bandung community that you have contact with and also explain to us what their speciality is? ( masonry, building, landscaping, welding, carpentry, etc.)

Right now we are needing price quotes for building the concrete portion of our soccer field wall.

Send the results to Ibu Srie (and me at [petesimano@baisedu.org](mailto:petesimano@baisedu.org)).

Thank you,  
Pete Simano
