

## Elementary Principal Notes

Dear Elementary Parents,

This week I want to share with you a lesson the elementary students are learning with me in Principal time. Every Wednesday, I go into the elementary classes to work with them for 30 minutes. During Principal time, we do team building activities, talk about important school rules and drills, and we learn strategies to solve problems. One of the ways we have been practicing solving problems is using a tool called I-Care Language. If a problem or conflict happens at school, we encourage the students to talk to each other. In class we have practiced the I-Care model...

Say the persons name - ex. Beth  
Tell how you feel - ex. I am mad  
Tell why - ex. because you took my pencil  
Tell what you want - ex. Could you please ask next time?

Our goal is to encourage students to use their words to describe their problems without attacking the other person. As we practice at school how to talk through problems, I would encourage you to try this at home and see if the students can come up with solution to their problems that is helpful not hurtful.

Miss LaMertha  
Elementary Principal

## BAIS Survey

Dear parents -  
Just a reminder that we have two sets of surveys/evaluations going on during the month of April. One is the accreditation survey which is available on line at <http://is.gd/VuKJKG> (English and Indonesian) and <http://is.gd/FMWxIM> (Korean). The Teacher Evaluation Form by Parents is also available online at <http://www.baisedu.org/community/survey/> (English, Indonesian and Korean).

If you would prefer to do hard copies of the accreditation survey and the teacher evaluations you may pick up those forms in the respective languages from Ibu Retno or Ibu Srie. All of these will need to be completed by Friday, April 29, 2011.

Thanks,  
Pete Simano

## PACE NEWS

**FAMILY FUN FESTIVAL:** Thank you to all who came out for the Family Fun Festival last Friday! It was great seeing families eating and playing together ☺. So many of you gave of you time, talents, and finances to make this event happen . . . thank you so much! Through this event we raised over Rp. 10.000.000. On Monday, April 18th at 2 pm we will have a PACE meeting to decide what we would like to designate the money for this year. Mr. Simano and the teachers will submit ideas for us to consider. I hope many of you will able to come on Monday. We will also talk about PACE for the 2011-2012 school year.

**COMING IN MAY:** End-of-Year Dialogue with the Director  
Teacher/Staff Appreciation Day

## OVERHEAD SHELTER/WALKWAY

Dear BAIS community,  
Parents have organized a group to raise funds for a covered shelter / walkway in front of our school. This will help students stay dry as they wait for their drivers and be a shaded area for those waiting for school to open and/or while eating lunch outside. The area of colored paving blocks in front of the main doors (by the picnic table) will all be covered.

The cost is quoted at 50 juta. BAIS will contribute as well towards this amount. These parents met with me and asked about us opening a BCA account where funds can be transferred, as well as allowing our Finance Dept to collect contributions (both are approved). The BCA account information is listed below. We will have receipts / "coupons" already made in increments of Rp 100,000 which we'll give you after the donation. We will update weekly a list of those donating to the project and we'll add a plaque of donors for our front entrance once the shelter is built. I've been asked to just list names and not financial amounts (we will honor that request).

Plans are to build the shelter after school gets out in June. It will be ready for the first day of school. I personally want to thank this group of parents (who wish to remain anonymous) for spearheading this project. It will be a beautiful addition to the school and will keep us all from getting wet at 3:00 pm when school gets out! On behalf of BAIS, thank you in advance. If you have any questions feel free to write me (Pete Simano) or communicate directly with Pak Diyan. BCA Account for this project: Bank Central Asia, Jl. Ir. H. Juanda 66, Bandung. Account #777 100 7001, in care of either Diyan Yap or Selly Setiawan. Please write your child's name or your name so we know who to acknowledge and thank. The BCA account will be open on Monday, April 18th, 2011.  
Sincerely,  
Pete
