

## Note from the Principal

Dear Parent's and Students,

I hope you had a wonderful Valentine's Day and Red Letter Day. Valentine's Day is a great day to show the people around you that you care for them. In light of that, I want to say thank you to all the parents and students that make the BAIS community a wonderful place to be a part of. Whether it is watching parents and students out at the playground after school, greeting parents as they pick-up and drop off their students, or simply enjoying a quick conversation at the grocery store, I am thankful to be a part of this community.

Just a few highlights on what is coming up, next week BAIS will host a English Community Inter-school Spelling bee for grades 1-5. Three other schools will join us in the competition on Thursday, February 24th. Parents and friends are invited to join us 1st-3rd period to watch the Spelling Bee. Also next week our girl's and boys Basketball teams will head to Bali for the IISSAC Tournament. Student Council is planning a Spirit Week culminating in a possible spirit assembly to send the teams off with cheers and support. Keep your eyes out for more details as the week goes on.

Finally I would like to clarify a mistake that went out yesterday on the March School Lunch Calendar. March 8th was listed as an Elementary only lunch day. As clarification, Secondary students are able to order lunch that day as well. However, STuCo is planning a secondary picnic event. They would like to encourage Secondary students that instead of ordering lunch from the school, students bring a picnic lunch to share together. This however is optional and will be up to each individual. If you have any questions please contact the front office.

That's all the news from the desk of the elementary principal. I hope you all have a wonderful week.
