

Elementary Principal Notes

Hello Parents,

With Easter right around the corner, last night's Easter concert was a wonderful celebration of the hope that we have in a risen savior. It was great to watch our students use their talents and skills in a worshipful performance. I want to say thank you to all of the staff and students who made it possible, and also to our two wonderful music teachers Mr. Lamb and Mr. Rice. Last night was Mr. Lamb's last concert with us, and we want to extend to him well wishes for his future endeavors, he has brought creativity and a quiet energy to our program and will be missed. Thank you also to our parents who came and watched, I hope that each of you were blessed. Speaking of Easter, on behalf of our administrative team I would like to wish you and your family a very happy Easter, filled with great times with family and friends.

On another note, today at BAIS we will be having our Science Fair. This promises to be an interesting, educational, and fun event for all. Some of our students have been working hard

on projects that will be presented today and I look forward to seeing the creativity and talent that will be on display. I hope that some of you were able to come by and see the great things that are on display.

Secondary students in grades 8-11, remember to bring in your registration forms to Mrs. Berggren as soon as possible to ensure that you get to take the courses that you want. Also, senior parents, please be on the look out next week for our annual senior parent letter to be coming home. This letter is full of important information for your son or daughter's last weeks with us here at BAIS. Please take a close look at it and post it somewhere convenient for reference.

Once again, I want to thank our parents for all that you do to help us be a success here at BAIS.

APRIL IS SURVEY MONTH: "ACCREDITATION SURVEY" and "PARENT EVALUATIONS OF TEACHERS"

Dear parents -

Just a reminder that we have two sets of surveys/evaluations going on during the month of April. One is the accreditation survey which is available online at <http://is.gd/VuKJKG> (English and Indonesian) and <http://is.gd/FMWxIM> (Korean). The Teacher Evaluation Form by Parents is also available online at <http://www.baisedu.org/community/survey/> (English, Indonesian and Korean).

If you would prefer to do hard copies of the accreditation survey and the teacher evaluations you may pick up those forms in the respective languages from Ibu Retno or Ibu Srie.

All of these will need to be completed by Friday, April 29, 2011. In 2006 we had 55 families fill out the Accreditation Survey, this month we have only had 14 families. Please give us input on how we are doing so we can communicate this through to the accreditation team visiting us next year.

Thanks,
Pete Simano

COVERED SHELTER - WALKWAY

Dear BAIS community,

Parents in our BAIS community have organized a group to raise funds for a covered shelter / walkway in front of our school. This will help students stay dry as they wait for their drivers and be a shaded area for those waiting for school to open and/or while eating lunch outside. The area of colored paving blocks in front of the main doors (by the picnic table) will be covered.

The cost is quoted at 50 juta. BAIS will also contribute towards this amount. Parents may give donations in our Finance Office with Pak Diyan or transfer with the following BCA account: Bank Central Asia, Jl. Ir. H. Juanda 66, Bandung. **Account #777 100 7001**, in care of either Diyan Yap or Selly Setiawan (opened as of April 18th).

Please write your child's name or your name so we know who to acknowledge and thank. We will update weekly a list of those donating to the project and we'll add a plaque of donors for our front entrance once the shelter is built. The plan is to build this summer.

Thank you to those who have already contributed this first week!

BAIS Covered Walkway Donation (update as of 4/20/11)

ATHLETIC NEWS

Congratulations to our swimmers and runners on a fantastic IISSAC event. Both swim teams did a fabulous job and represented BAIS well. The girls swimmers came in 4th place overall and after a recalculation of points the boys ended up in 3rd place overall. The runners took first and third place in both the 15 and under 3K run and the 16 and over 5K run. Congratulations to Drew Williams and Luke Walker for their first place finishes and to Hwan Kim and Andy Kang for their 3rd place finishes!

Parents please keep in mind that swim is unique in that elementary students may compete! Please think about having your child participate next year - the great news is that the swim and cross country meet will be held in Bandung next year!

Dress Code Update

Hello Parents, due to a recent slow slide back to tighter clothing, Mrs. Newell visited students in all classrooms two weeks ago and then again today to let them know that their attire is not appropriate. On Monday, those students who are out of compliance will receive a referral if Mrs. Newell has spoken with them before. Please help us to enforce this guideline at home by making sure that your children are wearing pants that meet the "pinch an inch" guideline, as well as clothing that meets the rest of the dress code.
