

## Notes from the Director

Dear students, staff and families,

The "end of the year" emotions are completely upon us at BAIS. One of the seniors described it as a roller coaster, the happiness and the sadness being profound. I already shed tears at the senior banquet which is a little earlier than usual. With excitement, we feel the countdown to Graduation next Wednesday. Our seniors took off last night for Bali to begin their senior trip. They worked so hard for this trip. Please pray with us for their good health, their protection, and for wonderful times of making more memories and enjoying time with each classmate. We pray they are able to close up well their time together!

**The YEARBOOK is amazing!** The class worked so hard and I'd really like to thank the editors: Joy Park (Editor in Chief), Doowon Son (Design Editor), Kevin Sastraatmadja (Photo Editor), Amelia Hagle (Copy Editor) and the two teachers Mrs. Annie Chun and Ms. Melissa Hall. It really captures the essence of this school year and is so artistically appealing! **Thank you to all the class** for their hard work and dedication to the school.

**The Shelter project has met the goal and surpassed it!** Praise God! In talking with Ibu Selly and Pak Diyan we will put the extra money towards repairing the Sports Hall roof. We are really hoping to get those two projects done this summer, building the Shelter and replacing the current roof which is full of holes. We had money set aside from the school for the Shelter which

will also go into the Sports Hall roof. Thank you to everyone who has donated! We will put a plaque in the entry way of the school recording all the families who donated! The Shelter project will begin construction the week after school gets out. We are still looking for more contractors to bid on replacing the Sports Hall roof. **If you can recommend a reputable contractor can you e-mail us their name and contact and let us know why you recommend them?** Per our last Dialogue we will need to discuss with them options for extending out the sides and covering them part-way.

We have three **new employees** this month so please come in and meet them and say goodbye to the people they are replacing.

**Doctor Grace** will be replacing Ibu Devlyn in the Clinic (it is true, we have an Indonesian Doctor!). **Pak Diyan Yap** will be replacing Ms. Laura LaPierre as the Business Manager **Pak Handoko Arifin** has replaced Pak Diyan as Accountant

Blessings to all of you as you close up the school year. Next week's BAIS Buzz will come on Friday as Thursday is a holiday. We'll be reporting on Graduation and the last week of activities. Thanks for choosing BAIS and it is with that roller coaster of emotion we sprint to the finish of the 2010-2011 school year.

Hello parents who live in Kota Baru,

I am organizing soccer lesson sessions during the summer in Kota Baru. We have an Indonesian seminary student who was on his way to professional soccer before the Lord led him to ministry. He is willing to come to Kota Baru to give lessons to groups during the summer. It will be co ed in 2 groups of upper elementary level and middle school level. It will be about 2 hours each session 2 x a week (probably 8 - 10am). The cost will be very minimal, about Rp20.000-25.000 per session. Please let Annie Chun know by June 4 if you are interested at [anniechun@baisedu.org](mailto:anniechun@baisedu.org) or 081221200021

## HEALTH UPDATE

It is time to update our students health records with new information and permissions. Students were given forms this week to take home for parents to fill out and sign. If you did not receive one, please print and fill out the form at the end of the BAIS BUZZ for our health records. We want to know any updates your children have had in their health such as new allergies, surgeries, injuries, immunizations, etc. Also we want to ask for your permission to give appropriate medicine if needed for your students.

We have a new doctor that has joined our school. She will be in charge of the clinic and keeping your families safe and healthy next year. Her name is Grace Beatrix and she is a recent graduate from Maranatha Christian University Medical Faculty. She lives in Cimahi with her husband, 4 year old son, and her parents. Please come by and meet her in the clinic while she is training with me for the next 2 weeks.

Thank you,

Devlyn Neveux, PA
