

A Note from the Director Desk

Dear BAIS family,
It is nice having the Dialogues with the Director this week. I just left the Korean Dialogue and really appreciated the good discussion and the great questions we had on academics. Mr. Cooley, Mrs. Berggren and I were just commenting how exciting it was to be able to talk about academics, accreditation, LEP immersion, and scheduling and to see how we are doing many of things that are on our "checklist" of strategic planning. We know there is so much more to do and many ways to improve what we currently have but we left the Dialogue very encouraged. We want BAIS to be academically challenging and a safe, positive place where students can feel included and grow! Thank you for coming! I thank Mrs. Park for translating, Mr. Ha for organizing it, and Mrs. Milam working to facilitate PACE.

FAMILY FUN FESTIVAL!!! We are so looking forward to having all of you with us next Friday, April 8th for our afternoon of fun and fellowship. We all recognize that we have lost some of the community feel with the distance from Bandung to Kota Baru, and with so many of our events being at rental facilities. It is a felt need to reinstate **FAMILY FUN FESTIVAL** and we encourage all of you to come and join in the activities with your children! One of our goals this year is to bring more "unity in community" and we at BAIS really want to fellowship together and get to know one another. Please come! It begins with a senior's fundraiser lunch (with their parents) and will cap off with an auction. Those are always a LOT of fun!

Also next week we have our **Pre-Registration Talk** for parents and students in grades 8-11. This will be Wednesday, April 6th from 6:30-7:30 pm in our MPR (Multi-Purpose Room). We'll be handing out the most updated Student Planner, along with the pre-

registration forms. Mrs. Berggren and Mr. Cooley will also help answer your questions as you continue (and/or begin) planning your high school career in preparation for success in college and life.

Next April, 2012, we will be under accreditation review by our two accrediting organizations (WASC and ACSI). We have already begun the process of evaluating inwardly our programs, procedures and policies. In April we will be handing out an accreditation survey for families to fill out. We'll have a place at the Family Fun Festival where you can pick up hard copies of these surveys in the three major languages here at BAIS (there will be an option to do it online as well). We will also have ready for you the hard copies of the Teacher Evaluation Forms for parents to fill out. We will ask you to fill these out at your convenience before April 29th, 2011.

In our last BAIS Buzz we highlighted all the new expat hires for teachers next year. Our latest hire is Mr. Diyan Yap, our current BAIS accountant, who will become our new Business Manager in July. Ms. LaPierre will be leaving after serving us for three years and we are confident that Pak Diyan will do a great job. The next two jobs that will be advertised in April will be for a replacement Accountant and for an Indonesian Doctor/Nurse. Please contact Pak Chevy in our HR Dept. if you know of any qualified, believing candidates for these two positions.

I look forward to seeing you a couple times next week!! Our Indonesian Dialogue with the Director will be in Bandung this Friday. Blessings to you.

Respectfully,
Pete Simano
Director

Silent Art Auction and Family Fun Fest

Dear Parents,

As part of the Family Fun Fest next Friday, April 8, the Art Department will be hosting a Silent Art Auction to raise money for the Art Department (supplies for students, materials, equipment). This is an auction held without an auctioneer. People will place their bids on sheets of paper instead. Here are some basic details on how it's going to work:

- The students' artwork (K-12) will be exhibited in the 1st floor hallway.
- There will be a bid sheet for one of each student's artwork.
- Anyone can place a bid for a student's artwork. The highest bidder will be able to take home the artwork that day after paying the cashier.
- Bidding will stop at 2:30
- Highest bidders will be announced sometime after 2:30

More instructions will be given on the day of the auction.

We are excited to join hands with PACE to showcase BAIS student artwork.

*If you have any concerns or questions about your child's artwork please contact Mr. Ransom at joshransom@baisedu.org

Tuesday 5 April 2011 is the International TOMS Day Without Shoes.

This is a day where students and teachers alike can pay 20,000 Rp. for the opportunity to come to school without shoes. TOMS is a shoe company that provides a pair of shoes for a child for every pair of shoes bought. All donations will be sent to TOMS. Participating in this event serves the purpose of fundraising and awareness for the needy. Children in undeveloped countries cannot always afford their own shoes, and as a result, they are susceptible to diseases, which can be fatal. By participating in Day Without Shoes, funds can be raised to put shoes on children causing them to be less susceptible to these diseases.
