Notes from the Director

Dear BAIS community,
I appreciate the time you took in coming to BAIS for parent-teacher conferences this week. We really do want to be a team with you in the education of your children, and good communication is essential to that. Thank you for your part in meeting with us this week! If you ever need translators, please ask the ladies in our front office, and we can set those up for you at any time. I am hoping that you are finding RENWEB beneficial. I know we are only 3 weeks into using it, but we all hope that RENWEB helps keep good communication flowing between staff, students and parents on homework, lessons, grades, attendance and announcements. We will talk about RENWEB at Tuesday's DWD (Dialogue with the Director).

If you are able, please come to our 2nd quarter DWD in the BAIS Library from 8:00 - 10:00 am on Thursday, November 10. I am looking forward to sharing with you the latest update on accreditation, the campus construction, RENWEB, and talking through any concerns that you may have. Dr. Steven Gray will be visiting us that morning and will share about the importance of accreditation. He is our visiting chairman for the March accreditation team, and he will be doing a field visit to see how we are progressing on our reports. I know Dr. Gray would love to meet with some of you informally, so please come if you are able. I will also have members of Student Council visit and give updates on what is happening across the school from their perspective.

I am getting excited for Indonesian Culture Day on the Nov 23rd. Thank you to our committee and all the parents working hard to celebrate the best (including the food!) of Indonesia!

Blessings to you! Have a great weekend!

Pete Simano, M.Ed.
Director

Indonesian Culture Day

BAIS will have an Indonesian Culture Day on Wednesday, the 23rd of November 2011. We would like to encourage all Indonesian parents to participate in this celebration. The event will take place from 07.45 – 11.30, as this is a half day of school. We need help in the traditional food area. If you are interested in donating some food, please feel free to contact us. The profits will be donated to PACE. We will also need some volunteers to take care of the food stalls. We'd appreciate if you can help us add more food and beverage choices to our list. Monetary donations will also be accepted (we'll order the food for you and give you the receipt).

We look forward to hearing from you.

HOUSE NEEDED FOR VISITING 11TH GRADE STUDENT!

Hi, my little brother from Alaska would like to come to BAIS for 2nd semester. I am trying to find a family willing to host him in their home. My parents will pay for room and board. Daniel is a good kid; he's interested in soccer, drama and music and does well in school. He loves church events such as youth group and service projects. I think it would be great for him to spend a semester at BAIS, and I am very excited about the chance to live near my little brother again! I would prefer him to stay in Kota Baru so that he will be near me, but if no KB families can house him, a home in Bandung will also work. **Please** consider giving me and my brother this amazing experience! Thanks! ~Clarissa Ribbens
Please contact Clarissa Ribbens or Laura Berggren if you are interested. clarissaribbens@baisedu.org

4th Grade Window

It's been busy and fun in 4th grade this year. Now into second quarter, students are learning about ecosystems in Science, essay writing in Language Arts, characteristics of God in Bible, long multiplication in Math, and so much more. Second quarter also means Elementary Swim which the fourth graders look forward to every week! Another special event we just finished is "I Love to Read!" Month. This past Monday was Storybook Day, a day to celebrate Reading, and here is what the students have to say:

Caitlin: "I loved dressing up as folktales or fairytales."

Sung Ha: "My favorite part was the parade upstairs."

Emily: "My favorite part was the skits by the 6th and 7th graders."

Rio: "I liked watching the 8th grade skits in the MPR. They were funny!"

Gyeong Min: "I really liked the 8th skits too because they changed the real fairytale stories a little bit."

Yu Chan: "The movie we watched (Hoodwinked) was the best part."

A few ways you can pray for fourth grade this quarter are: safety at the pool during Elementary Swim, perseverance for the remainder of the quarter, and positive attitudes as they learn new concepts and are challenged.

Thanks!

Ms. Ripley

MS SAFEFO - RETREAT REMINDER!

Applications for.....
THE SUPER-FUN-SO GOOD-JUST-ALL-AROUND-AWESOME MS RETREAT
are due Friday, Nov.11th!

Music Dept News

How can you...

- 1) Support the BAIS Music Department?
- 2) Provide decorations for the BAIS Christmas Concert?
- 3) Enjoy some lovely flowers in your home for Christmas?

... all with just **ONE purchase?**

The answer is simple actually:

PURCHASE A POINSETTIA FROM THE BAIS MUSIC DEPARTMENT

That's right—for the low price of Rp 25,000, you can have some red holiday cheer to take home after you enjoy the Christmas Concert (December 9th at 7:00pm). **WHY WAIT!?**

To order:

E-mail Laura Berggren (lauraberggren@baisedu.org) with your name and how many poinsettias you would like to order. Once we have ordered the poinsettias, we will begin collecting money. The deadline for collecting money will be Tuesday, December 6th. On Friday night, December 9th, after the Christmas Concert is over, you can see Mrs. Berggren to take home your poinsettia(s).

Thank you for supporting the BAIS Music Department in this way!

It's now November, which means that the Christmas Concert is coming up next month!

I want to remind you of a few things:

- 1) The Concert is Friday, December 9th at 7:00pm
- 2) All students have special clothes they need to wear for the concert:

All Performers: Black dress pants, black shoes, and a black belt. Girls may wear a black skirt (exception: girls in Vocal Ensemble may not wear a skirt).

Elementary: White, short-sleeve, collared shirt. They will also wear batik sashes for the concert (the Music Department will provide these).

Middle School: White, long-sleeve, collared shirt.

Vocal Ensemble: Males will wear dark blue, collared, long-sleeve shirts. Females will wear light blue shirts that we are having specially made for them. Cost for males and females is Rp75,000, which is due to Mr. Rice by Monday, November 14th.

Beyond BAIS...College and University News

Crown College is coming to BAIS...Save the Date: Wednesday, Nov. 16! Bob Edgar will be visiting BAIS on November 16th and 17th. We will have a parent/student session with him at 3:30pm on Nov. 16 in the Elementary computer lab. He will be speaking on topics like:

The Top Ten Reasons Students Leave College (this topic helps students identify potential pitfalls and develop strategies for avoiding them).

- *Why Choose A Christian College* (addressing the secular vs. Christian college question)

- *Thriving at College* - Make great friends, develop your faith, and get ready for the world!

This information session is open to all BAIS parents and students. Please come and join the discussion! Bob is a valuable resource to us and is willing to answer general questions, not just about Crown. Please come and support our University program at BAIS.
