

A Note from the Secondary Principal Desk

Hello Parents!

It has been another busy week here around BAIS! Spiritual Emphasis Week is fast approaching and all the details are being worked out. One item of note is that the student schedule will look very different the week of February 7th-11th. **The late start day that was scheduled for Wednesday the 9th has been canceled to allow for a full day.** In addition, the students will participate in SEW activities in the morning and then have regular extended classes after the morning break. We are looking forward to the excitement that comes with this event and are praying that God will use it for His glory.

I also want to take a moment to let our parent community know that one of our long serving teachers Mrs. LeGrande, who is out on furlough this year, has decided not to return at the end of her furlough next year. We have been blessed to have Mrs. LeGrande and her family as a part of our BAIS family for many years and we will miss them. We pray that as they move into future, God will be using the time in the US to draw them closer to Him, and we look forward to seeing some of the family this May. Another staff member that will not be returning next year is Lori Newsom. Ms. Newsom came to us in a time of great need and filled our Kindergarten position. We have since discovered what a talented teacher she is, and will be sad to say goodbye, but again we know that God is in control and is leading her. Thanks to both Mrs. LeGrande and Ms. Newsom for their hard work and commitment to BAIS!

We are glad to have Mr. Simano back in the office the rest of this week and next week before he heads to the US for recruitment. We know that he has been tremendously blessed by the time he has gotten to spend with his family while they are here in Indonesia. If you need to meet with him, please feel free to make an appointment through the front office.

Thanks again for all of your support, together we are making great things happen here at BAIS!

Attention High Schoolers!

There is a need for teachers for a children's program during a conference in March 18 -21. It is one of the organization's field conferences in Bandung. There will be about 12 kids ranging from toddler to middle school. Some of the older kids can be assistants. We will help with getting the materials and supplies. If you are looking for community service hours, this will be a great way to do it. If not, we are willing to pay some stipend for the service. Talk to Mrs. Chun soon. Thank you.

Thank You from the Bali Children's Home

Parents, teachers, and students,

Thank you all so much for sharing the love of Jesus with the kids and staff at the Bali Children's Home. Your gifts arrived in time for Christmas and the kids and staff were so blessed by your love for them. See pictures. There is a thank you note in the library for those of you who sent the gifts and money for the kids. Please stop by and read it. Also, some of the kids sent notes to those students who gave gifts as well.

Again, on behalf of Tina and the staff and kids at the Bali Children's Home we would also like to say thank you very much for showing the love of Christ to them during Christmas by sending your gifts.

Sincerely,

Karen and Al Paese
