

PE Waiver Form

For student athletes, we will allow a semester of P.E. to be waived so they may pursue another elective class. The rationale is our student athletes are already putting in a lot of time, exercise and energy into a sports team and they are able to waive one of the two semesters of required P.E. (they must take one semester with the P.E. teacher during their high school career).

To waive a semester of P.E. the student must:

- Start and complete a high school varsity IISSAC sport and have the coach sign off on the form.
- Each successful “season” will count as a ¼ of P.E. waived (maximum of two waivers allowed)
- Students will need to have two (2) P.E. waivers to get the semester P.E. waived.
- This is applicable to BAIS high school students only (no transfer or middles school waivers).
- The form must be completed and submitted within TWO WEEKS of the IISSAC event.
