

From the BAIS Athletic Director's Desk

BAIS Family,

Thank you for your continued involvement in and support of our BAIS community. It is encouraging and humbling to see so many parents and teachers invest into the lives of our students. At the end of October our first trimester of After School Activities and Clubs will end. Thanks to the sacrifice of many teachers and members of the community, we were able to offer sixteen different extracurricular activities to our student body! Please consider leading a club/activity in the remaining second and third trimesters of this school year. The new trimester begins November 6 and we are excited about some of the clubs that will be available.

This coming Thursday morning our BAIS soccer players will leave for Malang to compete in the IISSAC Soccer Tournament. In Malang, BAIS will contend with six other schools, Friday to Sunday, and return to Bandung Monday morning. I remember how much fun (and work) hosting the soccer tournament was last year. I am glad this year we get to *just* be participants. ☺ We will be hosting the IISSAC Swim Tournament at the end of April and we look forward to seeing the BAIS community come together again to make it a success. When you see a BAIS soccer player, please encourage them and ask about their season.

Our hope is that the students at BAIS not only receive a quality education but also be provided with a loving, supportive community where they can participate in a variety of new and exciting activities. Thank you for being a part of our BAIS family and all you do to contribute to its success.

In love,
Mr. Justin Powers
