Looking Ahead to the 2021-2022 School Year

I am certain that many families during this season are considering their summer plans and potential dates of return. For that reason, I wanted to take a moment and share some highlights from the **2021-2022 calendar**. The calendar was created with feedback and collaboration from the school leadership team, the director's advisory council, teachers, and staff.

August 9, 2021: **Back-To-School Kick-off!** Students are required to attend this event in order to prepare for the first day of school. On this day students will meet their teachers, receive schedules, set up learning accounts, receive textbooks, and meet their classmates. It is always a joy to welcome back students at this event.

August 11, 2021: **The First Day of School!** Due to the Islamic New Year Holiday on August 10th, we will officially begin normal classes on Wednesday, August 11. BAIS leadership remains steadfast in face-to-face learning as the optimal and safest way to serve your families. Thus, the school will continue to communicate with relevant government agencies toward those ends.

Proposed IISSAC Dates:

Soccer at **BAIS**: October 29-31

Basketball at Surabaya: February 25-27

Swimming at Wesley: April 22-24
